Writing

I like read books, especially if they're interesting. I want to tell you about one of my favorite books. It's "Howl's Moving Castle" by Diano W. Johns.

"Howl's Moving Castle"'s plot is about a regular girl Sophie Hatter which life became more difficult in one moment. The Swamp Witch cursed her, and Sophie became an old woman. But she decided to move on and don't give up, but leave her town. She came to the Howl's castle by the accident and then concluded a deal with a fire demon Caliber: if she broke Howl's deal with Caliber, demon will help her to back her youth. In the next chapters Sophie and her ~~new~~ new friends and family try to stop the Swamp Witch and make everyone free. Sometimes Sophie needs to make sophisticated choose, and even if she does something wrong, all problems disappear later.

If you like romantic, humor, and mystery adventures, this book is for you. Describes of characters, views, emotional's are amazing, because the stills one of the last taleswriters, and her language is very skillfull. That book can convince you that even in our time talent people can make unbelievable stories. I think that book doesn't have any weaknesses because this writer's languages can brings only good emotions.
